

Better care, less cost,
less stress — all through
your Lantern membership

This call could change everything — and cost you little to nothing.

Lantern is a supplemental benefit for planned non-emergency surgeries for all Active Employees, Pre-65 Retired Employees, and their dependents who are enrolled in a State Farm Group Medical option administered by BlueCross BlueShield of Illinois.

Coverage Highlights

Lantern can help with:

- Joint replacements
- Colonoscopies
- Cardiac procedures
- Bariatric surgery*
- And more...

Lantern covers thousands of procedures; however, some procedures may be excluded based on your plan. Ask Lantern or your HR team for details.

One call can
change everything.

How it Works?

- 1. Call Lantern before scheduling care.** A dedicated Care Advocate learns about your needs and explains your personalized options.
- 2. Choose the right specialist.** We connect you to a board-certified surgeon with extensive experience.
- 3. We handle the details.** From scheduling to paperwork to follow-up, you can focus on your health.

Why Call Lantern?

- Little to no out-of-pocket cost to members on surgery
- Access to board-certified surgeons near you
- Personalized support from a Care Advocate every step of the way
- Pre-paid debit card to cover travel and lodging for you and a loved one**
- An exclusive benefit provided by State Farm

**“Call Lantern before you do anything
when you find out you need a surgery.
It’s an incredible benefit.”**

— Tom, Lantern Member

*State Farm requires you and your family to use Lantern for select procedures to ensure high-quality outcomes.

**Certain travel is included, lodging per IRS guidelines may incur imputed income, please review the FAQ for additional details.

In the event of a medical emergency, call 911
or visit your nearest emergency room.
